Securitisation

The Group has a wholesale funding facility with the Bank of New Zealand (BNZ) under which it securitises finance receivables through The Turners Marque Warehouse Trust 1 (the Trust). Under the facility, BNZ provides funding to the Trust secured by finance receivables sold to the Trust from the finance segment. The facility is for a 24 month term that will be renewed annually. The facility is for \$276m.

The Trust is a special purpose entity set up solely for the purpose of purchasing finance receivables from the finance sector with the BNZ funding up to 92% of the purchase price with the balance funded by sub-ordinated notes from the Group. The New Zealand Guardian Trust Company Limited has been appointed Trustee for the Trust and NZGT Security Trustee Limited as the security trustee. The Company is the sole beneficiary.

The Group has the power over the Trust, exposure, or rights, to variable returns from its involvement with the Trust and the ability to use its power over the Trust to affect the amount of the Group's returns from the Trust. Consequently the Group controls the Trust and has consolidated the Trust into the Group's financial statements.

The Group retains substantially all the risks and rewards relating to the finance receivables sold and therefore the finance receivables do not qualify for derecognition and remain on the Group's consolidated statement of financial position.

During the reporting period \$116.0m finance receivables were sold to the Trust (30 September 2020: \$58.4m; 31 March 2021: \$187.4m). As at 30 September 2021 the carrying value of financial receivables in the Trust was \$296.8m (30 September 2020: \$211.0m; 31 March 2020: \$266.8m).

The bank borrowings are secured by a first-ranking general security agreement over the assets of the Company and its subsidiaries, excluding DPL Insurance Limited, Turners Finance Limited and EC Credit (Aust.) Limited. The Group's securitisation financing arrangement is described under finance receivables.

Motor Trade Finance

Turners Finance Limited is a shareholder of a motor trade based company called Motor Trade Finance Limited (MTF). MTF provides the services of a finance company, including funding, on a full recourse basis back to its shareholders.

MTF provides finance to Turners Finance Limited to fund the finance receivables. The MTF funding is secured by a chattel security over the Turners Finance Limited's customer's asset securing the finance receivable and by a general security over the assets of Turners Finance Limited.

Turners Finance Limited has also given undertakings to MTF as the nature and conduct of its business, and overall quality of the finance receivables and aggregate. Turners Finance has complied with these undertakings in the current and prior financial year.
